

Y4 LEARNING LOG SPRING 1

Date Set: 15th December 2017

TOPIC: **BLUE ABYSS**

<p>Bake - Make some ocean themed cupcakes or biscuits. Who can make the most creative design?</p>	<p>Research/Write - How many amazing shark facts can you find? Present this in any way you wish (poster, powerpoint, factfile) http://www.kidzone.ws/sharks/facts.htm</p>	<p>Maths - Draw some images of different ocean inhabitants. What shapes are their bodies made up of? Label the different shapes used for the different body parts. Be creative.</p>
<p>Create - Design an 'Under the sea' board game. What creatures might your counters represent?</p>	<p>Maths - Draw a tank with 20 fish in it. There must be four different species of fish but there does not have to be an equal amount of each species. Write down the fraction of each species. Challenge - Can you find equivalent fractions?</p>	<p>Draw - Draw the view of the sea that you might have if looking through the window of a submersible.</p>
Challenges		
<p>Maths - Find out the measurements of different ocean inhabitants. You may want to draw pictures of the animals too! http://www.livescience.com/49427-new-size-estimates-for-large-ocean-animals-infographic.html</p>	<p>Write - Research how to snorkel and write a set of instructions for a new snorkeler. http://sailhawaii.com/howtosnorkel.html http://www.tropicalsnorkeling.com/first-time-snorkeling.html</p>	<p>Write - Create picture dictionary (Picture and information) of plants and creatures of the Oceans. http://oceana.org/marine-life</p>

Every week you must also:

- Read your reading book
- Practice your times table
- Practice the spellings given to you for our Spelling Bee.
- Talk to your Mum, Dad or Carer about your homework.

Blue Planet 2 Homework Option.

Explore this brand-new website and create a poster sharing some new facts, pictures and information that you have found interesting. Ask for a piece of poster paper from your teacher, we look forward to displaying these in our classrooms!
