

27 November 2020

Dear Parent/Carer,

UPDATE: Year 6 Residential - PGL Caythorpe

We wanted to write to you with an update on where we stand with the Year 6 Residential, which is due to take place next June.

With the current Covid-19 situation, there are many uncertainties remaining, and we are not currently able to confirm whether the trip will take place at this time.

We are monitoring the situation and will make a firm decision, regarding the trip based on government guidance next year. If you do have any outstanding money to pay, can we kindly ask you to refrain from paying any further monies until a decision is made.

In the unfortunate event that the trip has to be cancelled, we will advise you about refund arrangements at the time.

Thank you for your continued support and patience, please contact the school office if you have any queries.

Yours sincerely

Mrs J Andrews
Headteacher
