Dear Parent/Guardian,

I am writing to make you aware that your child attends a school in the South Leicestershire School Sport Partnership (SLSSP). We are a non-profit making organisation working with 83 local schools alongside the Harborough District Council, Blaby District Council, Oadby and Wigston Borough Council.

SLSSP supports education professionals and provides opportunities for all young people in South Leicestershire to ensure that well-being, physical activity, school sport and PE is at the heart of school life. The partnership is passionate about developing inclusive provision to promote personal development and lifelong healthy behaviours.

This year we are supporting schools re-introducing students back into education. The focus of our provision will be supporting children and families' mental health and physical activity. SLSSP have designed resources for parents which will be released through the academic year. We have created a parent portal on our website which includes a variety of well-being resources. The portal includes a local sports club guide, well-being podcasts, health newsletters, a local walking routes guide and links to fun physical activity that can be done at home. To access the resources please see visit the website below:

To launch our parent portal, and in support of Active Travel Month, we are running a parent social media competition. Parents posting pictures of their families on a local walk will win a prize.

Please use the local walking routes guide and half term walking treasure hunt challenge on the webpage to help you explore your local surroundings.

Please note-SLSSP encourages safe and responsible physical activity. Please ensure you adhere to the government guidance and any local restrictions.

Yours sincerely,

Hussein Khan
