Online learning and device access

Dear Parents/Carers,

As we start the new term, we have to be prepared for possible short closures of some year groups if we have any positive COVID-19 tests within year group bubbles, or if pupils have to self-isolate as a result of being in close contact with a person who has tested positive for COVID-19. In the event of this, we will be offering online learning remotely for pupils.

In order for us to identify which pupils have access to suitable devices at home to access online learning, we kindly ask that you complete this Microsoft form to help us to plan for and allocate possible support:

<https://forms.office.com/Pages/ResponsePage.aspx?id=7cXzqZdY-kCCZ246vAAaNE0SvlrNkXNPvsYVZMdUu9JUMUNURT11SU5NWIZESk5QNkhSS1hHN1MwRS4u>

Please complete the form by no later than **Thursday 10th September 2020** to enable us to consider this in our plans for remote education.

If you are unable to complete the form for any reason, please contact the school office and someone will get back to you with support. It would be great if we could get as many responses as possible to allow us to identify how we can help in any way.

Thank you in advance.

Yours sincerely

Mrs J Andrews
Acting Headteacher
