

28 September 202-

SWHS Open Evening for prospective Year 7s of 2021

Dear Parents and carers,

At this time of year, South Wigston High School would usually be running various events which would allow you to visit their school, meet staff and students, experience lessons, and find out about the school vision and values as you consider your options for your child's secondary education. Due to COVID-19 they are unable to invite you into school for these events this year.

Instead they have filmed a virtual tour of the school where you will be introduced to the Headteacher, Mrs Webb, meet the Curriculum Leaders who will explain about the learning opportunities in their subject, have a tour of some of the key places around the school and meet the Year 7 Team. This will go live on their website on Monday 28th September.

As they are not able to hold presentation evenings at Parkland this year, they are making this an online event on **Monday 28th September at 6.30pm.**

To secure your place at this event, you must make a booking by clicking on the link below. They will then send you a link to join via email so please ensure that the email address you provide is correct. During the booking process, you will also have the opportunity to submit any questions that you may have, and they will endeavour to include answers to these during the online event.

<https://www.eventbrite.co.uk/e/south-wigston-high-school-virtual-open-evening-2020-tickets-122021990057>

Please take the time to explore the information on their website and contact the school if you require any further information to assist with your decision or if you need help with the application process.

Please remember that the deadline for all secondary school applications is **31st October 2020.**

Yours sincerely

Mrs J Andrews
Acting Headteacher
