

14<sup>th</sup> February 2020

Dear Parent/Carer

## World Book Day – Thursday 5<sup>th</sup> March 2020

We would like to inform you of another exciting reading event at Parkland Primary School. **Thursday 5<sup>th</sup> March** sees another **World Book Day**. On WBD this year each year group will be studying an author and learning about their life and some of the books they have written.

We would also like to welcome you to come into school between **9:00am - 10:00am on the 5<sup>th</sup> March** to spend some time reading with your child/children in their classroom.

Please return the reply slip below to your child's/children's class teacher to confirm you are able to attend.

As in previous years, children can bring in a book of their choice to share with their peers and read in class. However, it has been decided that this year we will **not** be dressing up.

Here at Parkland we believe reading is one of the most important life skills. We recognise the more opportunities children have to share books with friends, family members and at school the greater their love of reading will become, thus helping children develop their vocabulary and become more fluent, confident readers. As such, we are delighted to inform you of another Parkland special, **RED** (Read Every Day) March. On **28<sup>th</sup> February**, your child will bring home a **RED** booklet for you to sign when your child reads to you, a family member or a friend. All those that complete the RED challenge will be awarded a certificate and entered into a prize draw! In November we had a lot of children complete RED November challenge and we hope to receive more completed RED booklets at the end of March. We hope you will encourage your child to take up this challenge and enjoy reading together.

Thank you for your continued support.

Mrs Raymond and Mrs Hill  
KS1 & KS2 English Co-ordinators

I/We are able to attend on World Book Day, Thursday 5<sup>th</sup> March 2020 between 9:00am–10:00am.
