

Online Safety Week!

This week, Online Safety will be celebrated globally with the theme -
An internet we trust: exploring reliability in the online world!

Both in school and for online learning, we will be exploring the reliability of what we see and hear online. The internet has an amazing range of information and opportunities online, but we need to know how to separate fact from fiction.

As a parent/carer, you also play a key role in helping you child to stay safe online. Within our newsletter, we outline advice and resources to support you with this -
<https://sway.office.com/tI9FHSdWUUiHmGL6?ref=email&loc=play>

If you have any questions or would like further support with Online Safety, please contact your class teacher via Class Dojo.

Yours sincerely,

Vicky Edge
Computing & Online Safety Lead
